## **DETAILED ACTION**

### ***Response to Arguments***

1. Applicant's arguments filed 7/30/07 have been fully considered but they are not persuasive. The examiner disagrees with the applicant's interpretation of the Idota reference in the paragraph linking pages 5 and 6 that the preventing agent 50 of Idota cannot be located in a dry area. The recessed chamber 44 where agent 50 is located has plural apertures (48) on the sidewall (46) at the bottom that allow water to flow therethrough as shown in Figs. 1, 3 and 4 of Idota. Clearly, there is no fluid present about deodorizing means 50 after the flushing of the urinal is finished. Therefore, the language as claimed is met by the Idota reference as previously stated.

### ***Claim Rejections - 35 USC § 102***

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 1-15 are rejected under 35 U.S.C. 102(b) as being anticipated by JP 9-21164 (hereinafter Idota) as set forth in the previous office action.

### ***Conclusion***

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within

Art Unit: 3751

TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
